THE *NEARLY* OFFICIAL CHOCOLATE OF TEXAS:

# Longhorns

In the 60's we developed this mouth-watering treat, and it's grown quite the following ever since. Our signature Longhorns are made from plump, tender pecans layered onto soft, chewy, golden caramel, then absolutely smothered with our own unique blend of sweet, rich chocolate. Like all Lammes confections, we keep our batches small and "taste test" them every day to ensure our strict quality standards are upheld.
